**Exterior Front**

Welcome to this outstanding one-owner home in desirable Sherwood Forest where pride of ownership is evident, inside and out!

**Exterior Front**

Lush, mature landscape screens and enhances the private walkway to the front door.

**Exterior Front**

Located with convenient nearby access to shops & highway, this lovely W. Highland Park gem boasts a choice of either Highland Park or Deerfield High Schools & commuter-comfortable access to both the Metra Milwaukee & Union Pacific North train lines.

**Exterior Front**

A long, covered aggregate walkway leads to the covered front porch and double-door entryway.

**Exterior Front**

A view from the front porch reveals a lovely decked sitting area surrounded by manicured gardens and shrubbery.

**Foyer**

Step into a grand center entry two-story foyer with a clear view through to the rear family room and flanked by the inviting formal living room on the right and separate dining room on the left.

**Living Room**

The spacious living room, located off the foyer, features light neutral plush carpeting and a grand, bowed picture window with east exposure overlooking the front yard.

**Living Room**

A decorative fireplace, with added ambience from sconce lighting flanking either side, provides an elegant focal point to the main wall facing the foyer.

**Living Room**

Wood panel walls with wainscoting and crown molding accents tender a warm and welcoming atmosphere for friends, family and guests.

**Dining Room**

Dine in true style -- the spacious, elegant formal dining room is located off the main entry foyer and features convenient access to the adjacent kitchen.

**Dining Room**

The dining room boasts a full wall of built-in storage with twin China cabinets flanking a central buffet & a window with shutters featuring stunning leaded-glass inserts, totally unique. Don't miss the accent crown moldings as you enter the kitchen!

**Kitchen**

As you enter the kitchen, you will note the true abundance of cabinet storage and amazing counter space. Masterfully planned and designed with cooks and family in mind, this amazing kitchen truly has a place for just about everything.

**Kitchen**

From the granite floors to the 48' sub-zero refrigerator, 2 wall ovens, convenient cooktop and sunny south exposure to the adjacent eating area, this functionally-fabulous kitchen will be an inviting gathering place for family and friends.

**Kitchen**

Enjoy an abundance of recessed canned lighting and a large peninsula-style island separating the work center from the eating area.

**Kitchen**

Drawer space, cabinet space, under-cabinet lighting and more make this thoughtfully-designed kitchen a true dream for family meal preparation and entertaining with ease.

**Eating Area**

Casual, comfortable family dining is a breeze in this lovely breakfast area featuring a large wall of cabinetry and counters along one side and a sunny west view of the backyard and patio.

**Family Room**

At the rear of the house, you'll find the family room featuring large sliding glass patio doors opening out to an expansive free-form aggregate patio and the lushly-landscaped backyard.

**Family Room**

Enter the family room from either the wide arched doorway from main entry foyer or short hallway leading from and to the kitchen. Highlights include oak hardwood flooring and a wall of built-in enclosed floor-to-ceiling and buffet-style cabinetry.

**Family Room**

The family room includes an abundance of recessed canned lights as well as bright west exposure for glorious afternoon sunshine.

**Family Room**

The family room opens through sliding glass doors to the patio and backyard. A wide arched opening leads to the front foyer and short hallway opens to the kitchen and eating area.

**Patio**

Freeform design in attractive aggregate stone, a low brick perimeter wall, lattice work and mature landscape create a relaxing and private setting for your outdoor enjoyment and entertaining.

**Patio**

The expansive patio spans from the family room across the rear of the house providing a huge inviting outdoor living space with gas grill -- great for children, teens, and adults alike.

**Laundry Room**

The laundry room is complete with ample built-in cabinet storage, a convenient laundry tub, granite flooring and a convenient back door leading out to the patio.

**1/2 Bath**

Located off a short hallway between the kitchen and family room you'll find the powder room featuring a pedestal sink, low-rise Kohler commode and granite flooring.

**Foyer**

As viewed from the loft-like upper hallway, the two-story foyer with a double-door entrance, oak hardwood flooring and half-turn stairway is both elegant and airy.

**Master Bedroom**

Double doors lead into the inviting master bedroom suite, currently designed as a main bedroom, private compartmented master bath and an adjacent sitting room that can be easily restored to its original fourth bedroom floor plan.

**Master Bedroom**

The customized closets in the master suite are truly amazing. The main bedroom offers both a walk-in fitted closet and two more fitted double-door closets.

**Master Bath**

Oh so many cabinets! This amazing bath features his and hers sinks, a separate dressing/makeup table, and an abundance of drawers and storage space.

**Master Bath**

A doorway leads to the separate commode and bathing area, remodeled in 2017 with new tiling, glass-tile accent strip, and vented glass-block window.

**Master Bedroom**

The master bedroom opens to the private two-room master bath and the adjoining sitting room, den, library, or original fourth bedroom. Flexibly-designed, this area can be easily arranged, to suit your personalized needs.

**4th Bedroom**

Currently used as a sitting room adjoining the master bedroom in the master suite, the sitting room overlooks the lush front yard.

**Sitting Room**

The sitting room can easily be reconverted to use solely as the 4th bedroom. A full wall of custom-fitted closet space and wall of built-in buffet-style cabinetry highlights this area.

**2nd Bedroom**

The southeast bedroom features sunny south exposure and its own deep walk-in closet with convenient across-the-hall access to the second floor hall bath.

**2nd Bedroom**

The second bedroom features light, neutral tight-weave carpeting and shutter-style window treatments.

**Bathroom**

The compartmented 2nd floor bath allows for use by multiple family members at the same time with its long vanity, twin sinks and separate commode/bathing area with glass tub enclosure, vented glass block window and can light.

**3rd Bedroom**

The third bedroom is currently used as an in-home office featuring recessed can lights and a great view of the lush backyard.

**Office**

The southwest third bedroom with its built in desks offers its own deep walk-in closet, recessed and track lights, 2" slatted blinds and light, neutral tight-weave carpeting.

**Recreation Room**

Located in the full finished basement, this spacious recreation room provides ample space for children's play, teen hangouts or adult activities -- truly designed for enjoyment by all ages.

**Workroom**

Located through double doors from the recreation room is this well-planned workshop area with pegboard paneling, a workbench and bright lighting.

**Recreation Room**

The recreation room, paneled and carpeted, features a wall of bench seating, fluorescent lighting, built-in shelving and vented glass-block window.

**Storage**

On one side of the finished basement you'll find under-stair storage and abundant closet space. The mechanical/utility area is located at the far end.

**Exterior Back**

As viewed from the rear, the lush backyard has mature shrubbery and plantings.

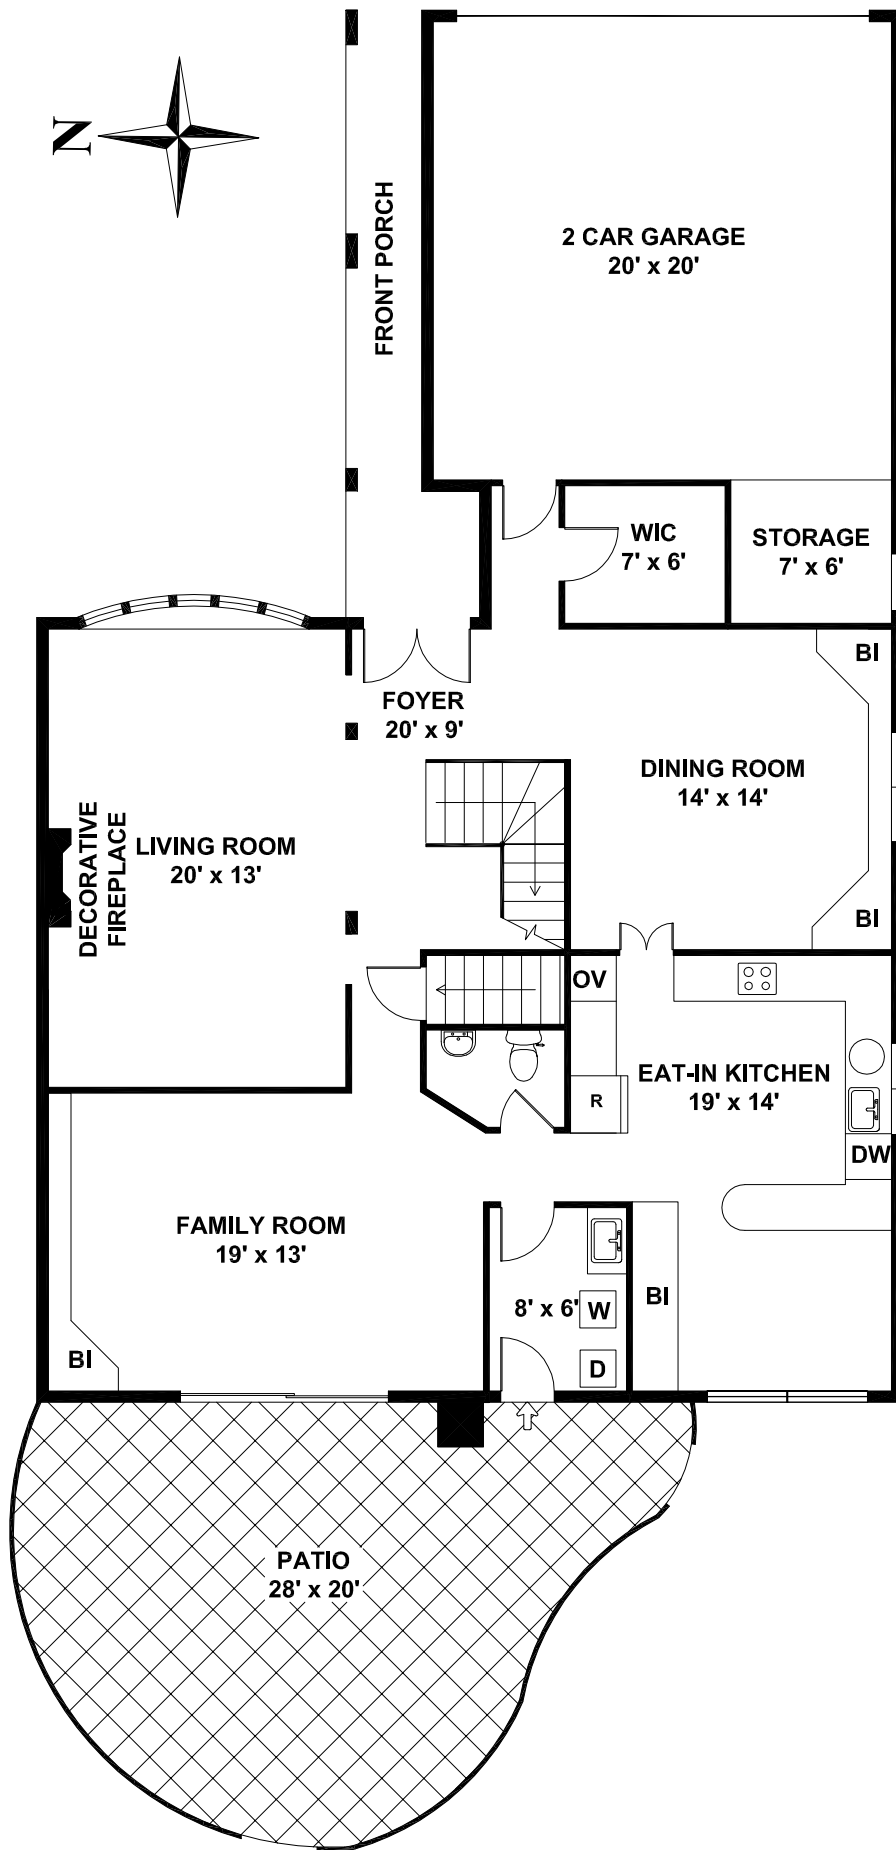

**Exterior Back**

Backyard room for outdoor enjoyment -- ideal for children and pets if needed.

**Exterior Front**
