Exterior Front

Welcome to 28 Foxtail in Hawthorn Woods. Located near the end of a quiet cul-de-sac, and overlooking serene wetlands and a distant pond, this artistic, custom-built home blends serene ambiance, a great setting, and thoughtful design.

Exterior Front

From above, enjoy an expansive view of the front, surrounding sides, and wide open spaces on the sunny south/southeast-facing backyard.

Yard/Garden

From above, enjoy a view of the backyard area, huge hexagonal 29' x 29' deck, tree line and adjoining open wetlands -- no rear neighbors. Don't miss the five skylights -- two in the family room, two in the master bath, and one in the family bath.

Exterior Front

Set on .98-acres, this one-of-a-kind home includes a dramatic covered two-story entry with brick-paver driveway and walkway leading up to the front entrance.

Exterior Front

The gracious two-story entryway with its high palladium-style window and glass-panel doorway with twin sidelights welcomes you to this elegant home.

Foyer

An expansive front-to-back view greets you as you step into this gallery-like, center-entry two-story foyer flanked on the right by the formal dining room and on the left by a step-down living room.

Foyer

The ell-shaped foyer with a double-door guest closet leads to all common gathering areas including the living room, dining room, family room, kitchen and powder room.

Dining Room

Located off the main two-story foyer with easy access to the nearby kitchen, the dining room features wood flooring, and both chair rail and crown moldings. An arched, glass-shelved display niche is located in one corner.

Dining Room

The dining room features twin windows with custom Silhouette blinds lending a great view of the front yard and a wide opening to the foyer and living room beyond.

Living Room

Step down from the two-story foyer to this inviting living room with wood flooring, crown molding, and access to the rear multi-functional study to use as an office, den, library or music room and more. The choice is yours.

Living Room

As viewed from the adjoining study, the living room features windows on the north and east sides with custom Silhouette blinds, a great view of the huge front yard and direct access to and from the foyer.

Study

Adjoining the living room through a wide doorway and the adjacent step-up family room, this versatile study with grand views of the glorious backyard provides a flexible space to tailor to your family's lifestyle.

Study

As viewed from the living room, the study with its wood flooring, dramatic tray-style ceiling, and windows with custom Silhouette blinds overlooking the backyard, provides a wide step-up entry to the two-story family room.

Family Room

Simply spectacular, the family room features dramatic sunny 2-story windows on 3 sides, wood floors, a cathedral ceiling with twin skylights & ceiling fan, a gas-started wood-burning fireplace and a lovely view of the backyard and adjacent wetlands.

Family Room

With back to front views clear through to the two-story foyer and bridge-like loft, abundant natural light readily streams throughout the house. The family room provides access to the study on one side, and the kitchen and eating area on the other.

Family Room

Gallery-like two-story walls in the family room provide a perfect palette for displaying your family's favorite artistry and photos. Enjoy relaxing sunshine, a crackling fire and great views here.

Kitchen

From the family room doorway, enjoy an expansive view across the spacious kitchen and eating area with sunny south and west views. A six-foot island with a five-burner downdraft cook top features pendant accent lighting.

Kitchen

The kitchen offers an abundance of recessed canned lighting, a convenient pantry closet, granite countertops, Homecrest cabinetry with soft-close drawers & pull-out shelving, built-in ovens, a deep double bowl stainless sink, & all SS appliances.

Eating Area

The sunny eating area with patio door access to the deck and yard is the perfect spot for a quiet family meal, quick snack or relaxing cup of morning coffee.

Eating Area

The eating area features a large bay window on the west and big sliding patio doors on the south opening out to the huge hexagonal tiered deck and backyard. Access to the laundry room is also located here.

Deck

Step out from the kitchen eating area to this huge deck with access from two sides to the backyard and a grand view of the adjoining open wetlands to the south.

View

Peaceful, private, relaxing and serene -- enjoy a glorious panoramic view extending through the adjacent rolling wetlands to a distant pond.

Yard/Garden

Garner a grand view across the yard to the huge 29'x 29' hexagonal deck and two-story family room that defines the architectural appeal of this unique home.

Laundry Room

Located off the eating area with access to the attached 3-car garage, the laundry/mudroom features attached shelving, a convenient laundry sink, Whirlpool Cabrio washer & dryer, ceramic tile flooring, & a sunny west window with Silhouette blinds.

1/2 Bath

Located off the ell-shaped foyer, the powder room is conveniently central to all common living areas and features a Kohler commode, granite countertop and 12" ceramic tile flooring.

Loft

At the top of the 2nd floor stairs is an airy 17' x 10' bridge-like loft with aerial views on 2 sides to the family room & foyer. Abundant natural light floods this area from the family room's 2-story windows & cathedral ceiling with twin skylights.

Family Room

Perched in the second floor loft, enjoy a view to the family room below with its dramatic tall two-story windows and central wood-burning fireplace feature wall.

Foyer

Also enjoy a view from above to the gallery-like center-entry, two-story foyer flanked by the formal dining room and step-down living room.

Loft

The airy loft/lounge with its newer light-gray carpeting provides access to all three family bedrooms, the family bathroom and double-doors into the master bedroom suite.

Master Bedroom

The master bedroom suite with its dramatic cathedral ceiling includes the main bedroom, an adjoining sitting room, luxurious spa bath and a huge walk-in closet.

Sitting Room

Located off the master bedroom, the relaxing sitting room with windows on two sides provides the perfect space for a true master retreat -- use as a media area, reading hideaway, baby's nursery, office or an exercise room -- enjoy endless options.

Master Bath

The airy master bath with a high vaulted ceiling offers a large vanity with twin undermount Kohler sinks, granite countertop and abundant drawer space. Add a Kohler commode and abundant recessed lighting to this soothing setting.

Master Bath

Natural light floods the master bath from twin skylights while a deep whirlpool tub, separate double shower and linen closet add both luxurious comfort and sensible convenience to this sunny retreat.

Master Bedroom

The serene master bedroom features a double-door entry from the second floor loft, newer gray tight-weave carpeting, a ceiling fan, and sunny south-facing windows with a view of the backyard and adjacent open wetlands and pond.

Master Bedroom

Sunshine streams in from the window wall overlooking the backyard. Enjoy custom Silhouette blinds and a great panoramic rear view. Double doors open to the adjacent second floor loft/lounge.

Walk In Closet

The master suite includes a large deep walk-in closet with space to spare.

2nd Bedroom

The center second bedroom with twin windows and custom Silhouette blinds overlooks the front yard and features newer light gray carpeting, a lighted ceiling fan and a double-door closet.

3rd Bedroom

The northeast bedroom features newer light gray carpeting, twin windows with custom Silhouette blinds overlooking the front yard and a lighted ceiling fan.

3rd Bedroom

The third bedroom includes a large double door closet and convenient access to the family bath -- located off the loft and just outside the bedroom door.

Bathroom

The second floor family bath features a large vanity with twin undermount Kohler sinks, granite counters, a sunny skylight, recessed lighting, an east window with custom Silhouette blind, a tub/shower, and large bevel-edge framed mirror.

4th Bedroom

The southeast corner bedroom features newer light gray carpeting, a lighted ceiling fan and windows with custom Silhouette blinds providing a grand view of the sprawling yard and adjacent open land.

Workroom

The huge deep basement includes a finished workroom with windows on two sides -- ready to set up for any range of potential uses suited to your family.

Basement

The extra deep basement features daylight windows, a mechanical area and a large 35' x 23' open area ideal for future finishing.

Yard/Garden

A sprawling yard in a great setting near the end of a quiet cul-de-sac street can be yours in this custom-designed-and-built two-story featuring a blend of great artistry, architecture and ambiance.
