PROPERTY DESCRIPTION

Enjoy a truly rare opportunity ... this affordable Cambridge Court Condominium comes complete with its own full finished basement! Double your space without doubling the cost in this exceptional, beautifully decorated and updated condo located in a quiet smaller complex of all brick buildings with a beautiful courtyard and in-ground pool. Adjacent to new homes ranging from \$1,000,000-\$2,000,000, the location is truly convenient within a short distance of shopping, trains, highways & schools. Why rent when you can own this delightful home instead? Its "Great Room" style living and dining room is bright and airy. New windows overlook the center community courtyard and great features include a year 2000-built new quality kitchen and bath, sleek inviting décor throughout, a large master bedroom with its own big custom-fitted walk-in closet and a patio area. The finished lower level can be accessed from both a spiral stairway and convenient exterior access door just steps from the laundry! Add a detached garage included in this sale – one of only a few available here – to this picture perfect winner! Common amenities include a beautifully landscaped courtyard with a picnic area and an in-ground pool. Low taxes and association fees that include gas, water, heat & air conditioning make this a no-maintenance prime choice you'll stop at, look & surely love!
