PROPERTY DESCRIPTION

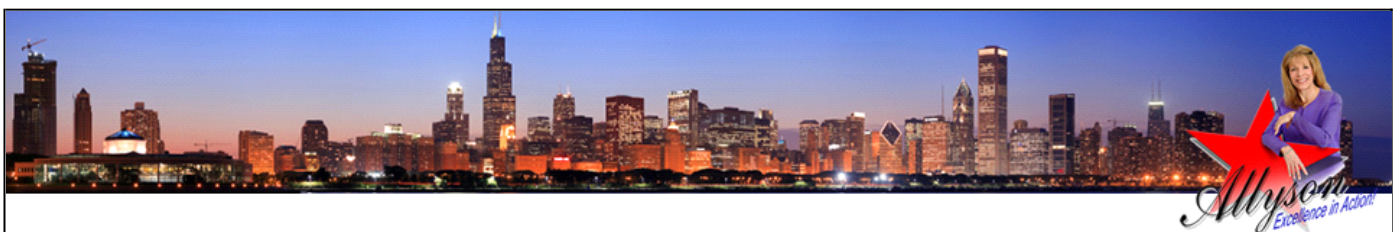

Move right in to this airy bright townhome, conveniently located on a quiet private dead end street overlooking a serene greenbelt and within a few blocks of shopping and elementary school. Additionally located with easy access to commuter train line and highways, this freshly-painted end unit features a separate living room and formal dining room. Both the living and dining room lead to a huge eat-in kitchen making the flow and design both sensible & great for entertaining. The living room with an easterly view to the greenbelt is open to the eating area and also has a view of the private enclosed atrium and patio area accessed from kitchen sliders to your own open-air retreat! The dining room with dramatic vaulted ceilings allows light to flow from the upper loft area or second bedroom to the main floor. The kitchen is fully equipped with all appliances included and has its own large deep pantry closet and a design that provides a separate work center and large eating area. The patio sliders from this area which overlook and open out to the atrium provide continuous streaming sunshine making this home exceptionally bright and inviting! Also on the main floor is a powder room with new ceramic tile floor and a separate laundry area adjacent to the shelved storage room and attached garage. On the upper level is a large master bedroom complete with a spacious full bath providing a double-bowl sink & vanity plus oodles of closet space including one full mirrored wall with custom-fitted interior organizers. The second loft-style bedroom has its own full bath as well and provides the ideal space for a multitude of optional uses including a second bedroom, office, library or exercise area – the choice is yours! Affordably priced, this lovely home is ready today for its next lucky homeowner – call for a private showing!
