PROPERTY DESCRIPTION

Great possibilities abound in this custom Blitz-built provincial-style home located in Deerfield's noted Kings Cove neighborhood! Enjoy a stunning wooded setting with a deep lot featuring majestic mature trees and a private view of nature that is a truly rare – a one-of-a-kind site offering a uniquely serene atmosphere. This spacious home features grand large rooms and spectacular views. The main level opens from a large foyer to a multi-functional office, den or bedroom, a full bath, kitchen with large pantry, laundry/mudroom with exterior access and a formal dining room featuring 13' ceilings, a built-in buffet spanning an entire wall and access out to a screened porch overlooking the yard. The huge raised living room with two sets of Juliet-style balcony sliders overlooks the dining room and shares a cedar beamed and fir-planked ceiling. One of two brick fireplaces is located in the living room. The upper level bedroom wing offers a large master bedroom suite with a compartmented bath and multiple walk-in closets. There are three additional family bedrooms on this level, one with its own walk-in closet. A separate newer furnace heats this level. The huge lower level family room with a second brick fireplace wall flanked by two sets of patio sliders to the fieldstone patio and yard has abundant space for family activities, comfort and pure relaxation. A large dry basement can be accessed from this area. Add a two car attached garage, updated 200AMP electrical service, zoned heat and air and two newer A/C units to this special home. Sold in "AS IS" condition, creative buyers can personalize to taste in an area of ongoing reconstruction, expansion and new construction. Don't pass up this amazing opportunity!
