## PROPERTY DESCRIPTION

Here is a truly rare opportunity – a fabulous home that offers not just a wonderful house in a great setting, but a lifestyle too! Located in the prestigious Turnberry Estates Country Club area, this incredible home provides potential for country club living as an accompaniment to your home! Enjoy a choice of country club amenities with memberships ranging from golf, to pool and tennis, or social events – the choice is yours! This solid all-brick Georgian two story with an oh-so-inviting street presence is set on a fabulous nearly ¾-acre site complete with over 40 mature trees! The front walkway from the side-loading garage and drive leads to the inviting front entry with an attractive leaded-glass door opening into the center-entry foyer. Oak floors on diagonal lead into the formal living and dining rooms located off this area. The huge living room featuring bright windows on two sides provides classic formal elegance the moment you enter. The dining room which features tumbled marble flooring with perimeter oak trim, opens through an arched doorway to the kitchen, breakfast room and central gathering area of this special home. Casual or formal dining is incredibly easy here making this design one that is great for both family and guests! The one-of-a-kind kitchen is a true dream that includes immense space that features a great work center complete with cherrywood cabinets, some with attractive glass-paneled fronts, all appliances, an abundance of counter space and an open design that fosters “togetherness” for all present here! The adjoining breakfast area has sliding patio doors that open out to the aggregate patio and park-like yard complete with many lovely mature shade trees. At the far end of this huge room is a lovely gathering area large enough for a game table, couch, computers or more and all are tied together as one by the gorgeous oak floors laid on-diagonal! The family room is also off this area. Both spacious and inviting, it provides a mantled gas-started brick fireplace, sliding doors opening to patio and yard and pre-wired Dolby 5.1 to enhance your sound system and big screen TV! Additional first floor amenities include a lovely laundry room that leads to the spacious 2.5-car attached garage, a powder room with pedestal sink, loads of recessed lighting, built-in speakers in the kitchen and pre-wiring for Cat 6 telephone and data lines. Alternately, on the upper level you will find a great master bedroom suite complete with a volume treyed ceiling, a big walk-in closet and spa bath that includes a Jacuzzi tub, separate shower and double-bowl vanity! Three large family bedrooms, each big enough for a queen-size bed or two twins, all with abundant closets and ceiling fans, make the upper level one that is designed for family comfort and real convenience! The compartmented hall bath adds to this theme with two sinks and a separated tub-commode area. Add a full basement, all new windows and an invisible fence system to the great features of this spectacular home!
