PROPERTY DESCRIPTION

Located in the Town of Fort Sheridan, a community boasting fabulous views of Lake Michigan from high bluffs & a central golf course of renowned beauty, this 5-year-old 10-room 2-story dream combines fabulous contemporary open design & abundant sunshine with elegant classic appeal. This setting & community, defined by its unique historical significance, provides the ultimate convenience-location for easy access to just about everything! Brick construction, a side-loading 3-car garage, 2 bluestone patios, lush landscaping & an arched-covered front entryway create the inviting backdrop to this spacious home. Enter into a dramatic central 2-story foyer and enjoy the airy design. Immediate views include the expansive living room & adjoining library, the formal dining room & 2-story family room. The entire 1st floor offers 9' ceilings. On-diagonal natural oak flooring & recessed lighting extend from the foyer through the living room & into the secluded library. The library with its stunning full wall of custom-made mahogany cabinets and double French door entry, make it ideal for an in-home office. Across the foyer is the formal dining room featuring on-diagonal oak floors & unique architectural columns. Entertain either large or small groups with equal ease. The adjacent immense kitchen is a true dream with large a center island, breakfast bar, wine cooler, stainless appliances & 42" Brookhaven cabinets. A large bayed breakfast room with southeast sunshine opens to both a bluestone patio from sliding glass doors and overlooks the dramatic 2-story family room with its huge window wall, fireplace and companioning on-diagonal oak flooring. Breathtaking views of the family room, marble fireplace & breakfast area can be enjoyed from the expansive loft-style upper hallway as well. Additional main floor features include a lovely laundry room, access to the 3-car attached garage, a powder room and family room sliders to a second bluestone patio. A dramatic oak stairway with curved balusters leads to the upper level master suite and family bedroom wing. The palatial master suite occupies one side of the upper level, separated from the family bedrooms by a wide upper loft-style hallway with views to both the foyer on one side & family room on the other. Highlights include its 9' Trey ceiling, palladium-style rounded window, 2 custom-fitted walk-in closets & a luxurious spa bath. The jetted tub, his & hers sinks and vanities and separate glass-enclosed shower with dual showerheads create a true retreat. Three spacious family bedrooms include two with large walk-in closets. All share a lovely hall bath and feature both on-diagonal oak flooring & overhead lighting. Abundant use of on-diagonal oak flooring throughout the home unifies its entire design. Additional great features include a full basement, pre-plumbed for a future bath; two-zoned heat & air conditioning, environmentally filtered; underground sprinklers; & security and intercom systems. This is truly a home of great living, location & value!
