PROPERTY DESCRIPTION

* Striking 4-bedroom 2½-bath end unit located on a cul-de-sac! * Living/Dining "Great" Room – ideal for entertaining. * Open airy design with bright 2-story foyer. * Great kitchen – features big work area, separate breakfast bar & eating area. * Family room features gas fireplace. * Gigantic master suite with big sitting area & extra large compartmented bath. * Three more family bedrooms. * Full basement, main floor laundry room & attached 2+ car garage! Value has an address right here! If you are seeking the space of a freestanding home without the price tag to match, but complete with 4 bedrooms, 2½ baths, a 2-car attached garage and full basement, then you've found your dream home today. This bright and airy two-story townhome offers almost 2600 square feet of impeccable space, a cul-de-sac end unit location and all the advantages of detached living without any of the exterior maintenance headaches. From the two-story foyer, to the immense living and dining Great Room, this home is comfortable, inviting and strikingly special! The spacious eat-in kitchen and breakfast room features lots of cabinets and counters, a convenient breakfast bar and large bayed eating area with patio sliders at opening out to a private patio. Open to the family room with a lovely fireplace wall and a second set of patio sliders, the arrangement is ideal for entertaining with ease. A powder and laundry room which leads to the 2+ car garage round out the main floor features to enjoy. Upstairs off the expansive upper foyer with views of the lower foyer and through a double door entry you will find a spectacular master bedroom suite. A large sitting area big enough for couches and TV combine two-room functions into one! The extra large adjacent bath features double sinks, a make up area and a compartmented room with soaking tub, separate shower and commode. Add a huge walk-in closet for a master retreat that truly king-sized. Three additional family bedrooms each with a double closet share another large bath off the hall. Also compartmented, this bath offer two separate vanities and sinks as well as a separate commode and bathing area. On the lower level is a full basement, ready for expansion of space if the need arises, but already completed with built-in storage shelves and an amazing 16'x 6' walk-in cedar closet! The homeowner association covers lawn care, snow removal, basic cable TV and exterior maintenance providing more time spend on your favorite activities! Don't miss this special opportunity to fulfill your great expectations – combine great space, great features and affordability at all once!
