

Monthly Indicators

A RESEARCH TOOL PROVIDED BY MIDWEST REAL ESTATE DATA LLC
FOR MEMBERS OF THE NORTH SHORE BARRINGTON ASSOCIATION OF REALTORS®
RESIDENTIAL REAL ESTATE ACTIVITY ONLY

February 2019

It is worthwhile to mention the weather when discussing residential real estate for large portions of the U.S. for February 2019, because this month has turned in some impressively cold, rainy and snowy days that have stalled some buying and selling actions. Nevertheless, housing markets have proven to be resilient despite predictions of a tougher year for the industry. It is still too early to say how the entire year will play out, but economic fundamentals remain positive.

New Listings in the North Shore-Barrington region increased 4.9 percent to 1,445. Listings Under Contract were down 2.4 percent to 578. Inventory levels rose 6.5 percent to 3,453 units.

Prices continued to gain traction. The Median Sales Price increased 1.4 percent to \$395,000. Market Times were up 2.3 percent to 139 days. Buyers felt empowered as Months Supply of Inventory was up 13.9 percent to 5.8 months.

The National Association of REALTORS® recently reported that national existing-home sales were down slightly during January 2019 and that pending sales were up in year-over-year comparisons. It is worth noting that some softening of sales was anticipated, as was a positive sales bounce during January 2019 after a slow end to 2018. Weather-related events have hampered some of the necessary machinations of making home sales during February 2019, yet buyers have shown determination toward achieving their homeownership goals.

Housing Affordability Index

This index measures housing affordability for the region. For example, an index of 120 means the median household income was 120% of what is necessary to qualify for the median-priced home under prevailing interest rates. **A higher number means greater affordability.**
