RESIDENTIAL REAL ESTATE ACTIVITY ONLY

July 2021

The White House recently announced additional measures to help struggling homeowners avoid foreclosure as they exit forbearance, including loan modifications and payment reductions. Borrowers with federally backed mortgages can lock in lower interest rates and extend the length of their mortgages. For borrowers who can't resume their monthly mortgage, HUD will offer lenders the ability to provide all eligible borrowers with a 25% principal and interest reduction.

New Listings in the North Shore-Barrington region decreased 12.0 percent to 1,509. Listings Under Contract were down 24.6 percent to 803. Inventory levels fell 35.7 percent to 2,072 units.

Prices continued to gain traction. The Median Sales Price increased 12.1 percent to \$555,000. Market Times were down 59.1 percent to 50 days. Sellers were encouraged as Months Supply of Inventory was down 52.8 percent to 2.4 months.

The National Association of REALTORS® reported inventory of homes for sale nationwide rose slightly in June as more sellers list their homes, hoping to take advantage of record-high sales prices across the country. Even with renewed home seller interest, inventory overall remains 18.8% lower than a year ago, according to NAR.

Housing Affordability Index

This index measures housing affordability for the region. For example, an index of 120 means the median household income was 120% of what is necessary to qualify for the median-priced home under prevailing interest rates. **A higher number means greater affordability.**
